Leora is an experienced litigator whose practice focuses on real property and construction disputes. She represents all parties on the construction pyramid as well as homeowners, beneficial owners, purchasers, and sellers.

Leora has appeared before all levels of court in Ontario and has sought leave to appeal to the Supreme Court of Canada. Leora combines aggressive and practical strategies in order to effect favourable outcomes for her clients. Her case of *Slimmon-Weber v. Racco* was selected by Thomson Reuters as an important decision in real property law.
